### LOCKED OUT!

It was all Lorna Doone's fault! The stupid cat had slipped out the front door, and when Sunny Delancey followed, she found herself locked out of the house, clutching a furious feline-and all-too-scantly clad. Worse yet, when she knocked on her neighbor's door for help, flashbulbs started popping!

Jock Prentiss was furious! Sunny was obviously an aspiring actress who'd set him up to get some free publicity. How could she not know he was a famous actor when they were living right next door? Now they were splashed across the front page, and she was still lying about what she was up to. Little did he know how unbelievable the truth would turn out to be!
